

International Congress of Engineering and Complex Systems - ICECS'2021

www.est-usmba.ac.ma/ICECS21

October 26 - 28, 2021, Fez, Morocco

Call for papers

Sidi Mohamed Ben Abdellah University (USMBA) and the Moroccan Association of Innovative Technologies (AMTI) are organizing the first edition of the International Congress of Engineering and Complex Systems (ICECS 2021). This congress offers a forum and an excellent environment for researchers, university professors, students, industrialists and actors in the field of engineering and complex systems. The main objectives of this congress are :

- Focus on frontier subjects in theoretical and applied engineering and computer science subjects.
- Share the state of the art on the one hand and discuss the problems on the other hand.
- Bring together the scientific and technical community, Moroccan or foreign, to exhibit and publish the results of their research and their approaches .

Themes

- 1- Management, Economy and Logistics
- 2- Energy
- 3- Computer Science
- 4- Electrical engineering
- 5- Mechanics, Mechatronics and control
- 6- Embedded systems

INSTRUCTIONS TO AUTHORS :

Authors are invited to submit original papers and not currently submitted for consideration elsewhere. Instructions to authors are published on the website of the congress : <http://www.est-usmba.ac.ma/ICECS21>

IMPORTANT DATES

- Submission deadline : **August 31, 2021**
- Author notification : **September 30, 2021**
- Final paper version : **October 07, 2021**
- Author registration : **October 21, 2021**
- Congress date : **October 26-28, 2021**
